No Time to Snooze in 2022!

Thoughts to Ponder from Acts 20:7-12 ESV

1. Have you ever fallen asleep during a sermon?
 - a. Were the conditions that prompted Eutychus to snooze similar to those that caused you to nod off?
 - b. How were you awakened?
2. Describe a situation in which success caused you to “rest on your laurels.”
 - a. Was an opportunity missed because your thoughts lingered on the past?
 - b. It is said that “success begets success” – did you or did you not find that to be true in your life’s journey?
3. The price of God-honoring excellence is eternal vigilance.
 - a. Are you motivated to give your best for Christ every day and in every endeavor?
 - b. Why do you think upwards of 10,000 Christian churches are closing every year in the United States?
4. When we’re excited about something, we spring into action.
 - a. What are you excited about as 2022 dawns?
 - b. What ministry actions will your excitement spur?
5. My dream is that this parish will become known far and wide as a church that cares. What do you envision that reality to be?
