

Candle Power – February 2023

Candlepower is a measure of luminosity, how bright something is when measured on the target. And there are various orders of magnitude, from one single candle to a lighthouse or the sun in the sky. This image represents Jesus teaching that we are the Light of the world, and the question then is, how bright do you shine?

1. Can you imagine shining for Jesus?
2. In what ways could you increase your Candlepower?
3. Do you believe Jesus is telling the truth, that you are the Light of the World?
4. If he is, then it must be possible for you to light up your sphere of influence. How do you plan to do this in the near future?
