

Dead Man Walking - July 2021

The fact that we live in a broken world is evident to all of us. Often times the brokenness of the world around us breaks into our own lives. But, God has promised that the pain and sorrow this life can bring to bear is not wasted. It's not without purpose. It is, in fact, working for us a "greater weight of glory" (2 Corinthians 4).

As you weigh the brokenness of the world around you, and the brokenness you know within you, consider these questions, and contemplate the Lord's faithfulness in the midst of this broken world.

1. How do you respond when life is difficult, or when "sorrows like sea billows roll"?
2. Do you worship God because of who He is, or because of the gifts He gives?
3. How has Christ proven his faithfulness to you in the past?
